To Whom It May Concern:

I am pleased to provide a reference for Darrell Brown, President of Kisik Inc.

The Truth and Reconciliation Commission of Canada opened its head office in Winnipeg in April 2010. Upon completion of major renovations of the office space, Kisik Inc. delivered on time 25 module workstations and office furniture for 11 executive offices, boardrooms, library and other miscellaneous office rooms.

The workstations and office furniture were delivered, assembled and installed as scheduled with minimal disruption to the office. Kisik Inc. staff ensured care was taken in the newly renovated premises. Kisik Inc.'s staff left the work areas free of packaging and debris upon completion of the installation.

Mr. Brown maintained close contact with the Corporate Services Director of the TRC throughout the renovations and ensured we were completely satisfied with the layout of the office furniture upon completion of the installation. All items were checked for defects and adjustments made by Mr. Brown.

It has been a pleasure to work with Mr. Brown. I recommend both Mr. Brown and his company, Kisik, Inc. for their excellence in customer service and professionalism provided to the TRC.

Yours sincerely,

The Honourable Justice Murray Sinclair
Chair
Truth and Reconciliation Commission
