

Dividing space with flexibility

Dividing space with flexibility

Evolve Freestanding and Mobile Monolithic Panels

Freestanding and mobile monolithic panels create privacy in open environments and divide spaces in offices, healthcare or educational facilities. Choose from tempered glass or plexiglass.

Wellness Screens

Wellness screens were designed to integrate into reception, open plan offices and point of sale areas. Made from clear acrylic, these screens are easy to wipe clean + sanitize to help maintain a healthy environment. Several mounting options allow the screens to be secured and removed without damaging the existing furniture, or used as a permanent fixture.
